Mr. Harold Weisberg,
Route 8,
Frederick, Maryland 21701.

Dear Mr. Weisberg:

The enclosed check is for a copy of your latest "Whitewash". Would it be asking too much that you autograph the fly-leaf to me?

We moved our residence 2½ years ago, and since then I have been unable to locate my pocketbook edition of your first "Whitewash".

One thing I forgot to mention on my KRLD phone call was that the bullet-mark as I saw it on Friday, April 25th, had been very recently scraped. Since it had been done prior to the Staples' broadcasts, I thought maybe Mr. Staples might have done it.

Yours very truly,

Eugene P. Aldredge
